

Trans. note: The subject drew 2 lunar months on this page. Rajab, 1423, which is equivalent to the month of October, and Sha'aban, 1423, which is equivalent to the month of September. The day of the operation is marked with a square as "The blessed Failaka operation".

Trans. note: Under the first calendar, he wrote:

If you knew that Martyrdom is not offered to a non-believer, then why don't you leave it alone.

Trans. note: Under the second calendar he wrote:

Brother Abu Hamza Al Muhajir and his brother Abu Mohammed Al Hoot were killed during the execution of Failaka operation on the Arab Island (Kuwait), after they killed one American and injured another.
