"In the name of Allah the merciful the compassionate"

Praise to Allah and thanks to Allah and prayers and peace to the holiest of his creation and the last of his messengers Muhammed Bin Abdullah (PH) and on his relations and companions and whomever allied him:-

This is a private letter to the beloved hero: Yousif (Abu Al-Qa'qa' Al-Basri (PH))

Peace be upon you and mercy of Allah and his blessings...My beloved brother, You are precious and dear and you know that and there is no need for me to tell you that. I wanted to remind you with some commandments that will benefit you in your religion and your world, Allah willing.

First: If you are depressed or miss us then remember your brothers in Palestine that the Jews kill every day, as they kill their brothers, mothers, and sons. You will know that you are in luxury and good life. And always say praise to Allah, no power and no ability for us without him, our account be to Allah the best deputy (colloquial Gulf Arabic, cannot be precise in English, it is simple praise to Allah).

Always if you wanted to verify your work to be correct or not, ask yourself, (does this thing please Allah and his messenger or not), and I command you to be strong in body and mind, and the way to strengthen the mind is not by studying alone, but by memorizing the Holy Koran (PH), the book of Allah the generous, and to dwell on the verses and their meanings.

Do not forget always that Jihad is the path Allah honors the believers with, and honors with it the world of the generous. If you hear about Jihad in any country of the world then flee to it.

Obey the father and the mother and always pray for their steadfastness and long life and worthy deeds.
Fast Mondays and Thursdays of every week, and remember that the martyrs in Allah's presence are alive, they fly and roam in paradise, and their spirits reside in green birds, and always ask Allah to reward you with martyrdom in the cause of Allah.
Lastly my young dear brother: be assured that if you obey Allah and do not surpass his limits then Allah willing we will meet in paradise, and in paradise there is no sleep, no fatigue, no illness and no separation, but joy, games and play and pleasure from Allah.

"Make your first and last concern the pleasure of Allah and closeness to him."

- And know that your brother Muhammed (Me) have neither forgotten

you, nor will forget you, and always pray for my martyrdom, and if I am killed before you then I will ask Allah, glory and aloofness to him, to join you and the parents with us, say amen. This is it, and peace upon you and mercy of Allah and blessings.

Your brother / Muhammed Bin Mansoor Bin Nadhim Bin Gabarah Bin Saqar Al-'Abousi (PH) 28/Sha'baan/1423 H Abu Hafs Al-Basri (PH) (underlined with Arrow figure) (Signature in Arabic)
